

The Odebolt Betterment/Hometown Pride Committee and participating museums of Sac County are teaming together to bring you an adventurous summer.

The venture is the Sac County Historical Passport project. Beginning on Memorial Day weekend you can stop in at the Andy Williams Birthplace/Wall Lake Depot Museum in Wall Lake, Auburn Historical Museum in Auburn, Lake View Historical Museum in Lake View, Iowa Rural Schools Museum, Odebolt Historical Museum, Peterson Pioneer House in Odebolt, Sac City Museum in Sac City, or the Sac County Conservation Center at Hagge Park in Sac City to check out what fun and interesting items each unique place has to offer. Pick up a passport and have it stamped with the museum's personal stamp, then on to your next stop. When you have visited and had your passport stamped by the 8 participating museums, fill out the back of the passport and send to Deb Reinhart, Box 34, Odebolt, Iowa 51458 by Nov.11, 2017 for the chance to win a Sac County themed gift basket. Drawing will be held Nov.14, 2017 and the winner will be notified to pick up their prize in Odebolt.

So have fun checking out what the museums in Sac County have to offer and learn the history of each town and Sac County. GOOD LUCK!
